Thank you for replying. Myself and many others are still very disappointed in the closure of this branch of US Bank. Many elderly people including my mom bank here, they don't have or know how to use all the updated technology. The nearest branch will now be all the way across town. Very disappointed!

Again, I want to express how upset myself and my family and friends are who go to the Savemart South Carson US Bank branch all the time! This will be a huge inconvenience for all of us to close this branch. Not to mention how amazing the employees there are. And so helpful. Please reconsider closing this branch.
