Hey @usbank why are you closing all the branches in Omaha? Are you being sold to Bank of America?
How are we supposed to bank when everything is closing #usbank

We understand closing a branch is a disruption. We are dedicated to helping during this transition. Banking preferences & behaviors are changing, influencing how & where we operate. As a result, we're consolidating. To find a branch, please visit <https://t.co/fd5e6Bo4yx>
