**Subject:** [EXTERNAL] closing my local branch - a flyfishing guides' perspective

Dear Sir:

I am writing to request that you reconsider the decision to close the U.S. Bank branch in Dunsmuir, California.

I received the closing letter and understand that closing branches is viewed as a necessary business decision for your company.

On the other hand

I am concerned that the decision was made just looking at the "numbers" and did not consider this specific case where you are closing the only bank in town.

please allow me to repeat that in bold:

**you are closing the only bank in town**

While most banking can be done remotely now-a-days there are still times when a branch visit is necessary or at least the most convenient.

In this case your customers will be facing a 36 mile round trip to go to the next nearest branch in Weed, California.

This will likely be a significant issue for low-income people who rely on public transportation.

Corporate social responsibility and community support alone should be reason enough for you to reconsider closing the only bank in a town, even if the branch does not operate at a profit.

I understand that since the entire town only has about 2,000 residents that we probably do not represent a significant part of your business.

I have been a happy and loyal U.S. Bank customer for 23 years.

I hope that relationship is sufficient for this letter to get thru the filters and come to your attention.

Thank you

You closed our bank at SSF Ca. So I have to go two towns away, and they randomly close it so I have to go even further, can't find a US BANK with security boxes. I'm going to have to do something about that.

**U.S. Bank Response on June 1, 2021**

Good morning [REDACTED]. Thank you for taking the time to share your feedback. We understand the changes in operation are a disruption. We're trying to make the transition as smooth as possible. For your convenience, many transactions can be completed digitally, 24 hours a day. This can be done at any of our ATMs, on our website at [usbank.com](http://usbank.com) or the mobile app, or by calling our 24-Hour Customer Service at 800-872-2657. I hope this helps and that you have a great day. [REDACTED]

Re: US Bank Branch Closures

Dear Sir/Madam:

I am writing to strenuously object to yet ANOTHER branch closure (see attached notice). I understand that the OCC does not have the authority to prevent branch closures; however, US Bank is absolving itself of any responsibility as a bank and trying to force clients into entirely online processes that are not functional.

US Bank closed the main Riverside Branch on Central Avenue in late 2019. In 2020, they drastically cut other branch hours and NEVER restored them, even when the County began reopening. Now, the ONLY alternative branch in Riverside is being closed (see the map on the back of the notice). The ONLY option remaining for Riverside US Bank clients is the overwhelmed three-teller branch inside the Riverside VONS store, which continues to operate on reduced hours. They have implemented a check scanning system which slows deposit times excessively, resulting in long lines and wait times at the counter. In a pandemic, waiting excessively inside of a crowded grocery store is a legitimate health concern.

For business banking clients, it is not possible to exclusively use online banking options when you receive cash deposits. Furthermore, their online system requires a cell phone number that is not already associated with another bank account. Finally, their remote check scanning systems require a monthly service fee even though they exclusively benefit the bank by reducing the strain on their overworked tellers.

Especially given that US Bank literally REQUIRES us to bank with them as a condition of our commercial property loan (which we cannot refinance away from because of their aggressive and punitive commercial prepayment fees), their lack of service and continuing cost-cutting measures without regard for the needs of their customers angers me and I believe is illustrative of what is wrong with the banking industry in general. Their handling of the PPP application process in 2020 was so abysmal that I am

[REDACTED]

surprised it is not yet subject to a lawsuit. They represented to their clients that they were accepting applications through their online portal but in reality, their portal was not actually generating applications that were submitted to the SBA. The funding was gone before US Bank even reviewed portal submissions and businesses that relied on their relationship with US Bank were left out in the cold.

If there is anything that the OCC is empowered to do to sanction or otherwise admonish US Bank, I strongly hope that you will consider it. I have attempted to complain directly to US Bank multiple times since early 2020 and not only have my comments fallen on deaf ears, they have not even been acknowledged.

Sincerely,

[REDACTED]

Finance Manager

Re: Your recent inquiry

Dear [REDACTED]:

Thank you for your letter received through the Office of the Comptroller of Currency (OCC), regarding the decision to close the Riverside CA Ralphs branch in Riverside, California. We appreciate the opportunity to respond to you regarding this matter, as well as other concerns brought to our attention from your correspondence.

Please be assured, U.S. Bank takes the closure of a branch very seriously. We take many factors into consideration when making the decision, including how the branch is used and the location of other branches. In this case, the demand for services necessitated a change in our approach. These changes are to allow for reinvestment in new ways to meet the changing needs of our customers.

We understand that the closure of our branch is a disruption for our customers and our employees. We are working to make the transition as smooth as possible for all involved.

If you are looking for a branch, a full list of U.S. Bank branches, and ATMs, can be found at [usbank.com/locations](http://usbank.com/locations). In addition to our branches, U.S. Bank offers many ways to bank:

- **Mobile app:** use your smartphone or mobile device to deposit checks and manage your finances securely. Get more information on mobile at [usbank.com/mobile](http://usbank.com/mobile).
- **Online banking:** visiting [usbank.com](http://usbank.com) to check your balances, transfer money, pay bills and view statement.
- **Speak with a banker:** contact our 24-Hour Customer Service Department at 800.USBANKS (872.2657) to manage your account or speak to a customer service associate.

We are proud to have served our customers at the Riverside CA Ralphs branch, and hope that we can continue to serve the community at one of our other locations in the area. We appreciate and value you as our customer, we hope that you will give us the opportunity to maintain our relationship at a new location. Should you have any additional questions regarding your account or this branch closure, we invite you to contact our dedicated call center at 888.713.9299.

Please allow us this time to provide you with details related to the prepayment penalties on commercial loans. Our records reflect that you are an authorized party for account ending in [REDACTED], for the [REDACTED]. We discussed your concerns with Business Banking Portfolio Manager, [REDACTED], and confirmed the amount of the prepayment penalty as of April 22, 2021, was \$62,864.06. While we regret any confusion that may have been caused as a result of the prepayment penalty, [REDACTED] signature is on the enclosed Amendment to Loan Agreement and Note. Please understand, the above-referenced signature represents the acceptance of the terms and conditions of the account, including the prepayment penalty as listed on page one. Should you have any further questions or concerns related to this account or the prepayment penalty, please contact [REDACTED] at [REDACTED].

In addition to the above information, we researched your inquiry regarding the Small Business Administration (SBA) Paycheck Protection Program (PPP). We regret to learn of your dissatisfaction with the processing of your 2020 SBA PPP application ending in [REDACTED]. As such, you mentioned the SBA PPP funds were exhausted before your application was reviewed.

Our records reflect your SBA PPP application ending in [REDACTED], was received on April 12, 2020. We completed U.S. Bank's portion of the process on April 14, 2020 and your application was submitted to the SBA portal for final review and approval. However, upon review we show your application was rejected by the SBA, indicating a loan had already been funded with your Tax Identification Number (TIN). Your application was submitted to the SBA portal a second time on April 26, 2020; however, was again declined for the same reason. We have enclosed a copy of the May 9 notification letter, stating that [REDACTED], is ineligible for required SBA Guarantee Loan. If you have questions regarding this letter, please contact your local branch or call U.S. Bank 24-Hour Banking at 800.USBANKS (872.2657). We accept relay calls.

We understand the funding of these loans was critical and regret any frustration or confusion you experienced because your application could not be approved and funded. Please know, the SBA PPP funding did not affect the outcome of your application in any way. Our goal is to provide excellent communication and service, and we regret if you feel we did not meet your expectations regarding the service you received.

Thank you taking the time to write and share your thoughts, as customer feedback is a crucial tool, which we use to help improve our products and services. Furthermore, it is our hope that this letter provides you with clarification regarding your inquiries.

Sincerely,

Dear [REDACTED]:

The US Bank at 41298 Paseo Padre Parkway, Fremont, CA 94538 is where I've my accounts and a locker box. This location of your bank has been closed since the start of the pandemic. In order to access my locker box, I've to make an online appointment and then call the Fremont-Mission Blvd. branch to confirm. The confirmation call is needed because the Paseo Padre branch is no longer listed on your website for more than a year. Hence, I have to make an appointment as if I was visiting the Fremont Blvd location. As you can see the situation is messy.

In addition to the above, I learnt yesterday that US Bank is going to close the Paseo Padre - Fremont, CA location. I understand that in these hard times you have to consolidate your retail location to save costs. I'm concerned about my safe deposit box. Will you ask us to empty our boxes and then we will have no access to any safe deposit box? I sincerely hope that you continue to offer us safe deposit boxes. It is okay to move them to any of your other locations in Fremont.

Please feel free to contact me for a better explanation.

Sincerely,  
[REDACTED]
