I have concerns with U.S. Bank branches closing in the Florence, KY area. The Bank in Rempke Market recently closed along with the Bank in Meijer also closed, both in Florence. The nearest Bank is in Erlanger, KY which is in a horrible location. It seems convenient customer banking was not considered when making these decisions. It's even more difficult to find a drive thru ATM nearby. I've been with U.S. Bank for over 20 years but may need to reconsider due to these decisions. Regards, [REDACTED]

Over a month and no response. Poor customer service so maybe it is time to start looking for a new bank after 20 years.

Thanks for closing the Monroe, OH location. Not like you was ever going to open up normally again.

The drive thru is slow and wastes a lot of my day.

I guess it is time to pull my accounts and go where they are not afraid to open their doors and do business.

Great job US Bank

Thanks for your response. But my only reason for emailing U.S. Bank is our branch here on 9th & Monmouth sts. in Newport, Ky 41071 seems to be closing permanently.

Many of my neighbors are seniors with little or no transportation to visit our bank, especially when needed or requires in-person assistance.

The ATM is okay, but not enough to handle all banking matters. Several of my friends have mentioned transferring their accounts two blocks north, where there is a bank within walking distance.

Otherwise, I liked the experience I have had with that branch. I hope something can change to keep this branch open on 9th & Monmouth st in Newport.

Thank you,  
Sincerely
